## 1 Introduction

Reduce the order of DX-D 100 integrated NX PC in case of problems.

Supplier's repair analysis of the DX-D 100 NX PC showed that in many cases a replacement of the PCs HDD or the PCs Power Supply could have solved the problem. Since these parts only have fraction of the cost of a complete PC, it was decided to offer the following components as separate spare parts from now on.

New spare part	Compatible with	Picture
Power Supply Computer Mobile SC+53418076	Windows 7 and Windows 10 PC in DX-D 100 / DX-D 100 Wireless
